UNIVERSITY OF PORTSMOUTH

AI Student Acknowledgement Form

You must clearly state if and how you have used artificial intelligence (AI) in preparation of this submission. This acknowledgement is a mandatory part of the submission.

Work submitted without the acknowledgement is considered to be incomplete. Every submission must include the required acknowledgement, which must be consistent with the content of the items being submitted. If there is no acknowledgement contained in the submission, or if the acknowledgement is inconsistent with the work being submitted, then the University's academic misconduct regulations apply.
